

Innovation Days 2024

BD Life Sciences

4th of June 2024

Location:
nhow Brussels Bloom,
Belgium

Language: FR/EN

Preliminary program

08.30 - 09.30	Breakfast & networking			
09.30 - 09.50	Welcome by BD (EN)			
09.50 - 10.30	Panel discussion (EN) Committed to Sustainable Healthcare: Sharing views on our commitment to environment, social & corporate governance (ESG) - <i>BD Panel</i>			
MOVE TO DIFFERENT TRACKS ROOMS				
10.30 - 10.45	Microbiology	Molecular	Pre-analytics	Clinical Flow Cytometry
10.45 - 11.30	Best practices of imaging apps BD Kiestra™ (FR)	Intro to BD MAX™ and molecular workflow through interactive session (FR)	Accreditation from ISO 15189:2012 to 15189:2022 (EN)	Innovations et améliorations du portefeuille clinique (FR)
11.30 - 11.45	BREAK			
11.45 - 12.30	HOST project (FR)	Customer case: CPO/CRE and HAI through molecular methods on BD MAX™ (FR)	BD solutions for urine diagnostic testing (FR)	<ul style="list-style-type: none"> Cas cliniques (FR) Customer presentation: Evaluation d'un système de scoring utilisant le tube LST et le tube CLPDB-T1 pour le diagnostic des hémopathies B CD5 positive (FR)
12.30 - 13.45	LUNCH BREAK			
13.45 - 15.15	Innovations BD BACTEC™: Synapsys™ (FR)	Techcyte Demo: AI in cytology (EN)	<ul style="list-style-type: none"> Pre-barcoded tubes (FR) Minidraw™: VoC (EN) 	<ul style="list-style-type: none"> Découvrez le rythme de l'automatisation: Améliorez l'efficacité et réduisez le risque d'erreur grâce à une solution automatisée et flexible - BD Presentation (FR) BD FACSDuet™ Expérience client - LHUB (FR)
15.15 - 15.45	BREAK			
15.45 - 16.30	Keynote: Innovations in the laboratory - <i>Olivier Vandenberg- LHUB-ULB (FR)</i> Closing			
16.30 - 17.30	Drinks & networking
